To the Board of Directors
Illinois Swimming Incorporated
Des Plaines, Illinois

We have audited the accompanying statements of financial position of Illinois Swimming Incorporated (ISI - an Illinois not-for-profit organization) as of August 31, 2010 and 2009 and the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended. These financial statements are the responsibility of Illinois Swimming Incorporated's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. NOTES TO FINANCIAL STATEMENTS

YEARS ENDED AUGUST 31, 2010 AND 2009

1. NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Nature of Activities:

Illinois Swimming Incorporated (ISI) is the local governing body for USA Swimming (USAS) in Illinois and is responsible for the conduct and administration of USA Swimming activities and programs in Illinois. The objectives and primary purpose of the ISI shall be the education, instruction and training of individuals to develop and improve their capabilities in the sport of swimming. ISI shall promote swimming for the benefit of swimmers of all ages and abilities, in accordance with the standards, rules, regulations, policies and procedures of a number of governing bodies including USAS which is the national governing body responsible for tracking the competitive activities of individual swimmers and clubs across the United States, as well as for US athletes competing in other countries.

Basis of Accounting:

The accompanying financial statements have been prepared on an accrual basis of accounting in accordance with generally accepted accounting principles.

Financial Statement Presentation:

Illinois Swimming has adopted Statement of Financial Accounting Standards (SFAS) No. 117, "Financial Statements of Not-for-Profit Organizations," which requires the Institute to report information according to three classes of net assets, (unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets) based upon the existence or absence of donor-imposed restrictions.

ISI has also adopted SFAS No. 116, "Accounting for Contributions Received and Contributions Made," which requires contributions to be recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions. Contributions to the Institute are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as temporarily or permanently restricted support. When a temporary restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

1. NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

Accordingly, net assets and changes therein are classified as follows in the accompanying financial statements:

Unrestricted net assets – Net assets not subject to donor-imposed stipulations.

Temporary restricted net assets – Net assets subject to donor imposed stipulations that may or will be met by actions of the ISI and/or the passage of time. As of August 31, 2010 and 2009, Illinois Swimming did not have any temporary restricted net assets.

Permanently restricted net assets – Net assets subject to donor-imposed stipulations that are maintained permanently by Illinois Swimming. As of August 31, 2010 and 2009, ISI did not have any permanently restricted net assets.

SFAS No. 124, “Accounting for Certain Investments Held by Not-for-Profit Organizations,” has also been adopted by the Institute. ISI’s investments in marketable securities with readily determinable fair values are valued at their fair values in the statement of financial position. Unrealized gains and losses are included in the change of assets.

YEARS ENDED AUGUST 31, 2010 AND 2009

1. NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

Income Tax Status:

Illinois Swimming has received a determination letter stating that it is exempt from Federal income taxes under Section 501 (a) of the Internal Revenue Code as an organization described in Section 501 (c) (3).

Cash and Cash Equivalents:

Cash equivalents consist of money market funds with maturities of three months or less and are to be used for operating purposes.

Functional Allocation of Expenses:

The costs of providing ISI's programs and other activities have been summarized on a functional basis in the statement of activities. This required the allocation of certain costs among the various programs and supporting services based upon estimates made by management.

Management has identified the following functional areas:

Program services – Overseeing the conduct and administration of USA Swimming activities and programs in Illinois.

Support services – General administration of the organization.

Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from these estimates.

NOTES TO FINANCIAL STATEMENTS
YEARS ENDED AUGUST 31, 2010 AND 2009

1. NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

Investments:

ISI invests in equity securities for its athlete assistance fund (see footnote 2) and this investment fund is included in the accompanying statement of financial position as of August 31, 2010 and 2009 as long-term investments at its fair market value. This valuation is higher by \$2,973 and lower by \$(32,472) for the fiscal years ending August 31, 2010 and 2009, respectively, compared to the prior fiscal year and these amounts are included in the accompanying statements of activities as an unrealized gain (loss) on investments. Realized gains of \$3,381 and realized losses of \$(14,045) for the fiscal year ending August 31, 2010 and 2009, respectively are also included in the accompanying statements of activities.

Property and Equipment and Depreciation:

Property and equipment are carried at cost. Depreciation is computed on the straight-line method over the estimated useful lives of the respective assets. When assets are retired or otherwise disposed of, the cost and related accumulated depreciation are removed from the accounts and any gain or loss is reflected in income for the period. The cost of maintenance and repairs is charged to expense as incurred; significant renewals and betterments are capitalized.

NOTES TO FINANCIAL STATEMENTS
YEARS ENDED AUGUST 31, 2010 AND 2009

2. INVESTMENTS – ATHLETE ASSISTANCE FUND:

ISI set up an investment account in 2000 to provide assistance and/or recognition to ISI athletes who show potential for national and/or international swimming competition. ISI transferred an initial amount of \$100,000 in 2000 and made subsequent transfers totaling \$110,000 for the years 2001 and 2002. In addition, the board of directors authorized the transfer of \$104,000 for the year 2003 and the fiscal year ending August 31, 2005 but this transfer did not happen until February, 2006. The board of directors designated an additional \$30,000 for the fiscal year ending August 31, 2007, \$10,000 for the fiscal year ending August 31, 2009, and \$60,000 for the fiscal year ending August 31, 2010 to be transferred to the athlete assistance fund. No amount was transferred during the year ending August 31, 2008. However, since the funds are invested in equity securities the amounts are subject to market fluctuations (see previous footnote). As of August 31, 2010, the total amount designated by the board of directors for athlete assistance is \$437,720. Subsequent annual transfers will be made from future increases in net assets, with a minimum goal of 25% and a maximum of 100%. However, the board of directors, at its discretion, may adjust this amount.

3. COMMITMENTS AND CONTINGENCIES:

ISI leases approximately 1,336 square feet in Des Plaines which expires on October 31, 2015. The approximate future annual rental commitment under this lease as of August 31, 2010 is as follows:

2011	\$ 19,107
2012	19,679
2013	20,273
2014	20,878
2015	21,505
2016	<u>4,028</u>
