NEW INFORMATION REGARDING HILTON HOTELS/ILLINOIS SWIMMING

Illinois Swimming is happy to announce we have finalized our partnership agreement with Hilton Hotels as the “Official Hotel of Illinois Swimming”. You will notice the banner link-to for Hilton on the Illinois Swimming website Main Page as well as on the Meets section. To receive discounts at any Hilton Hotel property you must register as a HiltonHonors member. Click on the Hilton link and go to the register section. It’s easy and Illinois Swimming members will be able to receive discounted rates as well as HiltonHonors points for themselves or their clubs. Members will be able to utilize this link for accommodations to any swim meets that they will be attending that require overnite stays, any vacation plans that they might need, or for business travel purposes as well. As our membership usage increases with eAdvantage, discount rates to Illinois Swimming members will become greater. Please pass this information on to your respective club members; the benefits are available to all. Thanks.
