

April 2017

Dear Central Zone LSCs,

On behalf of USA Swimming's Central Zone, Ohio Swimming and the Ohio State Swim Club you are cordially invited to attend the 2017 Central Zone Multi-Cultural Meet June 10 & 11 at The Ohio State University. The Central Zone Multi- Cultural Meet is a long course, timed finals meet with no time standards that is open to all swimmers in Central Zone LSCs. This meet is a celebration of athletes of diverse backgrounds, including but not limited to race, age, income, ethnicity, religion, gender and sexual orientation. It provides opportunities for swimmers of diverse backgrounds to represent their LSC, celebrate diversity, allow the success of competitive goals, establish friendships, learn from each other, and share the love of our sport – swimming.

We hope to have active participation from each of our LSCs and are working to make this a fun and meaningful event for all who participate. In 2013 our Central Zone friends from Patriot Aquatics Club in Lincolnshire, Illinois hosted this as an inaugural event and in 2015 Brownsburg, Indiana hosted the second Multi-Cultural meet; both did an amazing job. We hope to build on their successes and again provide a memorable experience for meet participants.

USA Swimming and the Central Zone will be providing the meet with a guest Olympian. Our special guest will be joining us for a midday activity between sessions on Saturday and provide a motivational talk for our swimmers at the Saturday evening athlete dinner. We expect to have opportunities for engagement between swimmers and other guest champions. Please add this to your LSC calendars and begin working with your clubs and swimmers to build your LSC Multi-Cultural Zone Team. Additional information may be found on the Central Zone and Ohio State Swim Club web pages.

We wish you all the best! Please let me know if you have any questions.

2017 CENTRAL ZONE MULTI-CULTURAL MEET

Saturday, June 10 & Sunday, June 11

Hosted by the Ohio State Swim Club & Ohio Swimming, Inc.
Held under the Sanction of Ohio Swimming, Inc. #OH-17LC-22

Welcome

The Ohio State Swim Club and the Department of Recreational Sports welcome swimmers of the Central Zone to celebrate our own diversity, and to allow the success of competitive goals, establish friendships, learn from each other, and share the love of our sport - swimming.

The goals of this meet are as follows:

- To create an opportunity of competitive success for all the athletes.
- To serve as a wonderful opportunity for age-group through senior swimmers to compete in a pre-championship summer long course meet.
- To introduce the athletes to a guest Olympian and other champions to share their culture, goals, competitive successes and stories.
- To create a camaraderie and communication among coaching staffs and officials from all attending LSCs.
- To allow an opportunity for the LSC Diversity Coordinators to meet, exchange ideas and evaluate the Multi-Cultural events for the Central Zone.

The most current meet information, including notices of program changes, warm-up times, warm-up lane assignments, and complete meet results and computer backups will be posted on the Ohio State Swim Club's Website at www.swimclub.osu.edu.

Venue

The McCorkle Aquatic Pavilion is The Ohio State University's competitive aquatic facility and consists of two large bodies of water for competition and warm-up cool-down: the Mike Peppe Natatorium Competition Pool and the Ron O'Brien Diving Well.

The Mike Peppe Natatorium Competition Pool is a 10 lane, 50 meter indoor pool.

The competition course has been certified in accordance with 104.2.2C(4). The copy of such certification is on file with USA Swimming. Due to moveable bulkheads, the course will be re-certified prior to and following each session. Water depth is greater than 7ft. from the starting blocks at both ends of the pool.

The 8 lane, 25 meter Ron O'Brien Diving Well will serve as the warm-up/cool-down pool during competition.
