

How to become a Stroke and Turn Official

Benefits of Becoming an Official

1. Help support an excellent sport for children and promote a healthy lifestyle for children.
2. Gain a more thorough understanding of swimming in particular, and sports in general.
3. Fulfill volunteer obligations at Club Meets.
4. Get closer to the action; know what's happening on deck with the "best seat" in the pool.
5. Get mentally and physically engaged during the Meet rather than merely "spectating."
6. Be cooler on deck than in the stands.
7. Receive free admission and great hospitality during sessions officiated.
