

## Participating Clubs

There is a change in the meet format for this weekend. As stated by Bob Welch, Program Operations Chair the Illinois Senior Championship Meet will be ran as followed; Friday will be ran as “A” Flight, Saturday will be ran as “A/B” Flights and Sunday as stated in the meet packet will be ran as “A” Flights. To help with the following schedule of the meet a timeline has been posted on the [St. Charles Swim Team Website](#). Please note the change of start time on Sunday Finals, Finals will begin at 5:00pm. This format changes how we will run warm-ups.

UIC is asking Illinois Swimming to limit the number of swimmers that will be participating in warm-ups. Their request is 300 athletes per warm-up session. We have done our best to accommodate their request. Please read further to find out when your team’s warm-up assignment will be. The teams in bold contacted us for a warm-up Session request. Friday & Sunday being ran as “A” Flight Sessions we will need to run split session warm-ups. Saturday being ran as “A/B” Flights Session we will not need to run a split warm-up, instead we will run warm-ups as stated in the meet information.

Thank you for helping us make this a great experience for our athletes!
