Subject: 2009 Rules Addendum

The following is issued as an addendum to the Illinois Swimming Rules and Regulations for 2007. The current rules were amended at the Illinois Swimming, Inc House of Delegates in October, 2008 and published. The ISI Amendments were Adopted and became effective on November 12, 2008. Please place a copy of these amendment(s) into the rule book.

Please note that the 2009 ISI Rules Book is under review and will be published and made available on-line in March of this year. Further there have been significant changes to the required ISI Bylaws (Article 600's) that have been made by USA Swimming over the past two years. These changes will be reflected in the new rule book when published, but are not included in this addendum since they are too significant to list in their entirety. Please refer to the [USA Swimming Website](#) at the link attached.

Any questions or comments please contact me directly at the numbers above.
